IN-2478: Title: Electronic Visit Verification For Fraud Reduction and Alert System.

IN-2479: Title: E-Health at Outpatient Clinics in Village to Village.

Management

IN-1739: Hotel Management using AI- Based Technology.

IN-1740: Tourism Management Using ML- Based Notification System.

IN-1741: Home Appliance Management Using AI- Based Technology.

IN-1742: Method and Process Car Washing Management System.

IN-1743: Method and Observation Big Bazaar Sell Management System.

IN-1744: Digital Education Monitoring and Management Using ML- Programming System.

IN-1745: Trading and Earning Money online Management and Notification System.

IN-1746: Products Selling under Networks Marketing and Management System.

IN-1747: Method and Process Labor Resource Management and Utilization System.

IN-1748: Industrial Production through Environmental Pollution Management System.

IN-1749: Old Banks Account Closing Notification Management System.

IN-1750: Improved the Production and Marketing Management System using AI-Based Algorithm.

IN-1751: Method and Process to Manage the Health under Controlled Food Eating Management System.

Math/ Chem/ Phy/ Account/ Science

IN-1766: Develop The Function in Fx991 Calculator Try Base no (xxx) 3 Convert to Ten Base No (xxxx)10

IN-1766: Integration Problem Solving Trick.

IN-1767: Methos and Process to make a Holi Colours Powder.

IN-1768: Intelligent Methos to make an Organic Holi Liquid

Colours. IN-1769: Design and Develop Neon Material to protect the Covid-19.

IN-1770: Develop the Method and Technology to remove the mobile phone

DESIGN PATENT

DS-57: Image Processing

DS-58: Networking

DS-59: Mobile Computing.

DS-60: Pattern

DS-61: Cloud Computing

DS-62: Grid Computing

DS-63: Data Mining

DS-9-36: Interactive left.

DS-9-37: Interactive flying car.

DS-9-38: Interactive teaching Board

DS-9-39: E-Payment System
